## PRESIDENT'S REPORT

Paul Di Iulio

Jacob Kennerley was named co-captain in 2023 alongside Matthew Nunn.

As season 2023 approached there was enormous excitement with the recruits that had been brought into the Club, the success of the previous year and the possibilities of what may lie ahead.

It was a tough year for the Football Club, both on and off the field, and although we didn't have the success we all yearned for, the toughest moments of the year were off the field. We lost two of our own in very tragic circumstances and although there are no words to adequately explain the feelings and emotions that occurred with the passing of Nick Lowden and Ashleigh Young, one thing was for sure; our Club rallied together in the darkest times and lived our motto, "Fortis in Procella – Strength in Adversity".

Nick and Ash were two very important members of the Men's and Women's football programs and there is no doubt their absence going forward is going to have a significant impact on our Football Club. Both Nick and Ash will be sorely missed, but never forgotten. Their contribution, passion and commitment to the Norwood Football Club is something that will live on in our hearts and playing groups for many years to come.

VALE Nick Lowden and Ashleigh Young, the Norwood Football Club thanks you and will always remember you.

### GATHER ROUND

This year saw the Norwood Football Club host two games as part of the inaugural AFL Gather Round. It was fantastic to see The Parade full again, like the '70s and '80s, with large crowds cheering on their teams. There is no doubt that the event was great for football, great for the State and beneficial for the Norwood Football Club. It was a great opportunity to showcase The Parade on the national stage and highlight what a wonderful facility we have. It also confirmed what amazing staff we have, that we were able to pull this event together whilst still ensuring our Men's and Women's football programs continued to operate as normal.

I would like to thank everyone (especially James Fantasia and Barry Solomon) for playing their part in making Gather Round at Norwood an outstanding success. Events like this don't just happen overnight, there is a lot of work that goes on in the background and there are several hurdles to jump to ensure it's a success. There is no doubt that the Norwood Football Club exceeded all expectations, and we look forward to Gather Round coming back to The Parade in 2024.

## EYRE PENINSULA GAME – THE TEAKLE CUP

We again hosted a SANFL match for Premiership Points in Port Lincoln on the Eyre Peninsula. This was another fantastic opportunity for the Football Club to give back to our regional zone of the Eyre Peninsula. With several local EP players in the senior team, it was a great opportunity for them to showcase their talents in front of their family and friends on Centenary Oval in Port Lincoln.

We again played West Adelaide Football Club, and although the result wasn't what we had hoped for, the weekend was still a success for our Club, and a great way to recognise the contribution the EP makes to Norwood. We will continue to make this an annual event, as we believe it's a great way of supporting the EP community on top of the existing junior programs that our Club runs in the region.

I would like to again thank Peter and Ben Teakle from Peter Teakle Wines for their support of the weekend and their commitment to the match (known as The Teakle Cup) being played on the EP. Without the support of Peter Teakle Wines and other businesses from the EP this event would not be possible.

## SENIOR FOOTBALL

The season started with so much optimism and hope with the excitement of the new recruits and the continued development of the young men that had won the SANFL Grand Final in 2022. As the season unfolded there weren't too many highlights early on, with eight straight losses to start the year. Although there was improvement in the results from Round 9, it was always going to be difficult to repeat the feats of 2022 after that start. The frustration of the season was

probably highlighted by the fact that we only lost three of our last 10 games, and that we couldn't beat the team that finished bottom in either game we played them (one loss and one draw to West Adelaide). If we started the season the same way we finished, then I believe we would have made the top five and definitely been a threat through the final series.

Although we couldn't replicate the results of the previous season there were some wonderful individual performances throughout the year to suggest that, with the playing group undertaking another full pre-season, there should be significant improvement in our results in 2024.

Although a disappointing year, it was also an extremely tough one for many reasons, and I would like to sincerely commend our coaching group led by Jade 'Twig' Rawlings and our leadership team; led by co-captains Matthew Nunn and Jacob Kennerley. Their leadership this year, through very tough and unprecedented times was amazing and ensured that our Club came together as one when it was most needed.

As like any year, there are a number of players who have decided to leave the Football Club and pursue other opportunities outside the SANFL. I would like to acknowledge and thank the following senior players on their wonderful careers at Norwood, namely; Matthew Nunn, Nik Rokahr, Cam Ball, Josh Richards, Mitch Wilkins and Lachie Pascoe who have all moved on at the end of the 2023 season. There is an enormous amount of experience leaving the Club, with five of the seven being part of the 2022 Premiership Team. We wish Matt, Nik, Cam, Josh, Mitch and Lachie all the best for the future and look forward to them coming back to Norwood as past players, to reminisce about the good old days during their playing careers.

Norwood's SANFL side form for a pre-match huddle.

## WOMEN'S FOOTBALL

Although the season promised so much, we didn't quite achieve the desired outcome in 2023. The Women's team under the guidance of first-year coach Brad Snell and experienced captain Alison Ferrall played some great football after a slow start (0-3 from their first three rounds), to come storming home into Premiership contention. Although threatening to be a genuine contender in the second half of the year, the team fell at the last hurdle losing the Preliminary Final to the eventual premiers Central District, to finish third in 2023.

Although we didn't have the team success we craved, there were some outstanding performances throughout the year with Tahlita Buethke being crowned Club Champion. Tahlita, Tesharna Maher and Lana Schwerdt were named in the 2023 SANFLW Team of the Year. Molly Brooksby was named a SANFLW Powerade Breakthrough Player, and Georgie Jacques and Molly were drafted to the Port Adelaide Power's AFLW squad. Alison Ferrall and Tesharna Maher also reached their 50-game milestones throughout the year.

I would like to take this opportunity to acknowledge and thank Brad Snell for his services as Senior Women's coach of the Norwood Football Club for the 2023 season. He has decided not to continue in 2024, we thank him for his contribution and although short in time, his impact on the Women's program was significant. We wish Brad all the best for the future.

I would also like to congratulate our retiring captain Alison Ferrall on her outstanding career, which included 57 SANFLW matches across six seasons. She has been a stalwart of our Women's program for several years; her leadership and commitment will be sorely missed on field however she has decided to take on the role to coach our Development League Team in 2024. I am sure her contribution through coaching will be as significant as her playing days at Norwood. Congratulations Ali on a wonderful career at Norwood.

## WHEELCHAIR FOOTBALL

Although it was another tough season for our Wheelchair Team, they clearly lived our Club Motto of "Fortis in Procella – Strength in Adversity", we could not be prouder of the way they represented the Norwood Football Club. The season didn't quite go as planned however not for the lack of trying and commitment from our playing group. I would like thank and acknowledge Grant Leonard on all his efforts throughout the year, as this is a team that continually makes us proud!

## MICHAEL TAYLOR MEDAL

I would like to congratulate Nik Rokahr on winning the 2023 Michael Taylor Medal. "Rokes" as he is affectionately known, had another outstanding season that resulted in him collecting his second Michael Taylor Medal in three years. There is no doubt that Nik epitomised the traits of Michael Taylor throughout the year with this commitment and consistency. Congratulations Nik on another fantastic season. Nik was also Runner Up in the League's Magarey Medal in 2023. Unfortunately, Nik has decided to move to Perth, therefore he won't be playing for Norwood in 2024. Although it is with sadness that we say goodbye, we wish him all the best for the future and acknowledge his outstanding career at The Parade which included one Premiership, two Michael Taylor Medals, 2022 and 2023 Advertiser Team of the Year selections and one State Game selection.

## LIFE MEMBERS

In 2023, two people were awarded Life Membership of the Norwood Football Club, namely Brady Dawe and Pat Hall. I would like to sincerely thank and congratulate Brady and Pat for their significant contribution to the Norwood Football Club. Brady played 208 games for Norwood which included three Premierships (2012, 2013, 2014) and Pat played 98 games which included the 1948 Premiership before going on to be a member of the Committee for four years from 1958-1962. It was very fitting that both Brady and Pat's contribution has been recognised with Life Membership of the Norwood Football Club.

## SPONSORS

I would like to acknowledge and thank all our sponsors who were an integral part of our Club during 2023 and although there are far too many to mention, I would like to make special mention of the following major sponsors, whose support for our great Club never ceases to amaze me.

Firstly, I would like to acknowledge and thank Apelle for their contribution as our Platinum Partner for 2023. Their ongoing contribution has been very much appreciated and I would like to specifically thank Adrian Rivish, Ross Parisi and Ben Fusco for their commitment to the Club.

I would like to acknowledge and thank IWS (Integrated Waste Services) for their contribution as a Major Sponsor for 2023. Their sponsorship and commitment to the Football Club has been fantastic and continues to grow every year to the point, whereby they will become the Club's Platinum Partner in 2024. I would personally like to thank Joe and Anne Borrelli for their continued support for the Football Club, nothing is ever

too much trouble for them, they are always willing to assist wherever and however possible.

I would like to thank Coopers Brewery whose current long term sponsorship agreement will take their association with the Norwood Football Club to beyond 80 years. I would like to thank everyone at Coopers and especially acknowledge the Cooper family for their ongoing personal commitment to the Norwood Football Club. Whenever you speak to a member of the Cooper family, it becomes very evident that this partnership is far more than a commercial arrangement; Norwood is like family to the Coopers!

I would like to extend a very big thank you to Jeff and Ben Neale from Paradise Mazda for their amazing support and commitment to the Club, which continues to grow and get stronger every year. I would like to acknowledge and thank Trent and Jess Burge for their sponsorship through Barossa Boy Wines, ensuring that the Burge connection with the Club continues year on year.

Nik Rokahr was awarded the Michael Taylor Medal.

Pictured with Michael Taylor.

## NPSP COUNCIL

I would like to acknowledge and thank Mayor Rob Bria, his fellow Councillors, CEO Mario Barone and the staff of the Norwood Payneham & St Peters Council for their support throughout the year. As a Club, we look forward to continually working with the Council to make Coopers Stadium the best sports venue in the State, outside of Adelaide Oval. The continued support of Council is very much appreciated and has enabled us to continually grow our offering, host the inaugural Gather Round and provide greater opportunities to attract more events to The Parade.

## PATRON

I would like to thank our Club Patron, Denis Brion for his wisdom and unwavering support throughout the year. Denis is someone that you can always rely on to provide sound advice, and his continued contribution to the Norwood Football Club is amazing. Denis is an unassuming man who will go above and beyond to assist the Norwood Football Club without looking for any personal glory. There have been several occasions throughout the year where I have sought his support, guidance and assistance and he is always willing to help, nothing is ever too much for him. Denis truly is a legend of the Norwood Football Club.

## NUMBER ONE TICKET HOLDER

This year we welcomed Andrew Pridham AO as our Number One Ticket Holder. Andrew is a passionate Norwood supporter and can easily recount his childhood hero's and the great times he had at The Parade watching his beloved Redlegs beating all before them. Andrew, now living in Sydney, has gone on to become a very successful businessman and the Chairman of the Sydney Swans Football Club, however his true love is the Norwood Football Club. It was great to see Andrew at a number of games and Club functions throughout the year and we look forward to a long association with Andrew as our Number One Ticket Holder for many years to come.

## MEMBERS

On behalf of the Board I would like to say thank you to all our wonderful Members who continually support our great Football Club through the good times and bad times. We have been fortunate over the years to have far more good times than bad. There is no doubt the support that Members provide, is a significant factor in Norwood continuing to be a successful Football Club. Your support and unwavering commitment to the Club is simply amazing and very much appreciated.

## VOLUNTEERS

I would like to acknowledge and thank all the wonderful volunteers that help the Norwood Football Club. I think every year it becomes more challenging and demanding, however, your sustained effort and continued support is truly amazing. There are way too many volunteers to mention individually however on behalf of the Board and myself, I would like to say thank you for everything you do, as without you we would not be the Club we are!

Although not wanting to single anyone out, it would be remiss of me not to acknowledge and thank our photographer John Emery for his many years of service, as he has decided to hang up the camera in 2024. John has been the Club's volunteer photographer for many years, taking thousands and thousands of photos. Without his tireless commitment, we would not have been able to capture all the magical moments that we so often go back to and reminisce about. We will miss John sitting in the southwestern pocket of Norwood Oval, waiting to take the 'money shot' at each home game. John, on behalf of everyone involved with the Norwood Football Club, I just wanted to say a very big thank you.

I honestly think we have the best volunteers in the League, thanks again to all our Volunteers, you are simply the best!

## STAFF

I would like to thank and acknowledge the staff for all their effort and continued commitment to the Norwood Football Club. The staff, although small in numbers, make a significant contribution to our success. Without their tireless effort, endless enthusiasm and can-do attitude we would not be able to continually achieve what we do as a Club. So on behalf of the Board and myself, I would really like to say a very big thank you to each one of them.

## CEO

I would like to acknowledge and thank James Fantasia for the significant amount of work he has undertaken in the past 12 months in pursuit of making the Norwood Football Club as successful as it can be. James is very innovative in his thinking and whether it involves on-field matters, the Nor East, the continued growth of the Wolf Blass Community Centre or other commercial initiatives, he is always striving to make Norwood better. Through his leadership, we have already started working on the next phase of introducing several exciting new initiatives to Norwood. Great works James!

## BOARD

Last and definitely not least, I would like to thank my fellow Board Members Ben Seekamp, Justin Staritski, Rick Neagle, Steve Arblaster, Marie Skrodzki and James McEwen for their ongoing support and commitment to the Norwood Football Club. They continually strive to make the Norwood Football Club the best it can be through their passionate and tireless efforts.

It's with sadness though, that I advise that two of our existing Board members, Justin Staritski and Steve Arblaster, have decided not to continue in 2024. I would like to personally thank and acknowledge them for the enormous efforts both have made to the Football Club over a long period of time.

Justin, in his role as Football Director has been amazing. His commitment and dedication to the Club has been enormous. During his reign as Football Director, we have had to make some tough and sometimes unpopular decisions, however they have always been made in the best interest of the Football Club. It was great, that during his time as Footy Director, he was able to be rewarded for his hard work and enjoy the ultimate success with the 2022 Premiership.

Steve's focus on the Board was Governance and being Chair of the Nor East Committee. His focus on ensuring that our Policies and Procedures were updated, contemporary and best practice was very much appreciated. Furthermore, his ongoing commitment to the success of the Nor East and the need to ensure that it remained a successful investment for the Football Club has been phenomenal.

Both Justin and Steve have made significant contributions to the Board and more generally the Football Club. I would like to personally thank them for all their work over many years. Although leaving the Board, they are not leaving the Football Club and will continue to be around supporting us on our quest for another Premiership!

### A YEAR IN REFLECTION

Serving as the Chief Executive Officer of the Norwood Football Club continues to be both a personal privilege and a source of immense pleasure. Despite the Club's recent successes and the anticipation of exciting plans for the future, the 2023 season presented us with a series of formidable challenges. In particular, the heartbreaking loss of two cherished members from our inner circle, SANFL Premiership player Nick Lowden and Female Football Coordinator Ashleigh Young, cast a shadow of sorrow that has been difficult for us all to comprehend.

Amidst these trying times, I find myself immensely proud of the players, coaches, support staff, and the entire Club for the extraordinary support and resilience they have demonstrated in the face of these losses. The strength and unity displayed by everyone involved reflects the true spirit and character of the Norwood Football Club. Our deepest condolences and unwavering support continues to be extended to the families of Nick Lowden and Ashleigh Young. They will forever remain integral members of the Norwood Football Club and cherished members of our extended family.

We are extremely fortunate to possess a dedicated and robust supporter base, bolstered by an unwaveringly

committed Board and selfless staff, and for this, I express genuine gratitude. Amidst the arrival of numerous new faces at the Club, it's heartening to note the continued presence of familiar ones as well.

Nick Lowden†

Ashleigh Young†

## FOOTBALL

The Senior Men's season proved to be challenging, to say the least. Experiencing an uncommon zero wins and eight losses to start a season is undoubtedly difficult. However, I am especially proud of the way our dedicated supporters steadfastly stood by the Club, its players, and the coach during this testing period. Despite the tough start, our players remained focused on the hard work and commitment required for success. Their ability to turn the second half of the year around has instilled genuine confidence among the players and inspired faith in the group's potential moving forward.

Likewise, our women's team encountered a slow start to the year (0-3 after three matches), but showed remarkable improvement as the season unfolded, emerging as a formidable contender for ultimate success. Although they fell short of their goal, there is immense excitement surrounding the ongoing development and progress of this group. The team's journey was further supported by a minor premierships in the Development League competition, despite narrowly missing out on victory in the Grand Final.

Our underage teams showcased a commendable level of competitiveness throughout the season, with several young players consistently honing their skills and deepening their understanding of the game. I extend my gratitude to our U18s coach Alex Newell and his coaching team, as well as U16s coach Craig Roberts and his coaching team. Additionally, I appreciate the dedication of our support staff for their unwavering efforts throughout the year.

I extend my congratulations to all our Club's award recipients, with special recognition for those individuals who earned the prestigious Best and Fairest honours within their respective teams. Notably, Nik Rokahr securing his second Michael Taylor Medal, Tahlita Buethke emerged as the Senior Women's B&F, Jacob Jones clinching the U18 B&F and Darcy Speyer achieving the U16 B&F.

In addition, I would like to commend several players who proudly represented South Australia at various levels, including Harry Boyd in the State League match against Western Australia, Logan Evans and Alex van Wyk for South Australia, and Will Rowlands and Orlando Turner representing the Allies in the U18 National Championships. Special acknowledgment and congratulations go to our Senior Coach, Jade Rawlings, for his appointment as State League Coach and his excellent oversight of a successful State campaign for our team.

I extend my sincere thanks and congratulations to Brady Dawe and Pat Hall for their remarkable contributions

to the Norwood Football Club. Brady, having played 208 games for Norwood, secured three Premierships (2012, 2013, 2014), while Pat, with 98 games to his name, notably contributed to the 1948 Premiership. Furthermore, Pat served on the Committee for four years, from 1958 to 1962. It is truly fitting that both Brady and Pat's substantial contributions have been duly recognised with Life Membership of the Norwood Football Club.

Finally, I would like to recognise and wish well all those players that have retired and moved on from our Club; including our co-captain Matthew Nunn, two-time B&F Nik Rokahr, SANFLW captain Alison Ferrall, and other great contributors to our club such as Cameron Ball, Josh Richards, Mitch Wilkins and Lachie Pascoe.

## OUR FOOTBALL PROGRAMMES

The effective management of the Club's football program owes much to the dedicated services of our Football Operations Manager, Rick Shrowder, Talent Manager Craig Roberts, and Female Football Coordinator Ashleigh Young. Their efforts have been further fortified by the invaluable contributions of our Senior Men's and Women's coaches, Jade Rawlings

Mitch Wilkins chaired off in his 91st and final SANFL game, in Round 18 of the 2023 season.

and Brad Snell. In addition, our U18 program, under the guidance of Alex Newell, and U16 programs, led by Craig Roberts, play crucial roles in the ongoing development of our promising young men and women.

Whilst further details are presented later in this report, I would like to extend my heartfelt acknowledgment to each coach for their unwavering commitment and hard work toward their respective teams and players. Successfully running a football program requires the collective efforts of many, and I want to express gratitude to the entire coaching and support staff across all teams.

Recognising the significance of our development programs, including our connections and initiatives across the Eyre Peninsula, is paramount to ensuring our long-term sustainability and success. Witnessing the enthusiastic participation of young boys and girls in our development squad programs and academies is a testament to the positive impact of these initiatives.

## WHEELCHAIR FOOTBALL

Participating in the SANFL Wheelchair Football competition is a significant honour for our Club. With the sustained leadership of Grant Leonard and David Gould, our team members consistently demonstrate exceptional commitment and effort. We take great pride in the way they represent our Club in this competition. I extend special acknowledgment and congratulations to Grant Leonard and Richard Davis for their thoroughly deserved selection to represent South Australia in the National Championships.

## EYRE PENINSULA

Once again, we competed on the Eyre Peninsula (our Club's regional zone) for Premiership Points, presenting an excellent opportunity for the Football Club to contribute to the EP community. The success of this event reinforces our commitment to making it an annual occurrence, as it serves as a meaningful way to support the region and its community. I extend my sincere gratitude to Peter and Ben Teakle of Peter Teakle Wines for their unwavering support of the match and their dedication to having the footy event take place on the Eyre Peninsula. Without the generous support of Peter Teakle Wines and other businesses from the EP, this event would not be possible.

## COMMERCIAL ACTIVITIES AND PARTNERSHIPS

The Club's commercial operations were spearheaded by Dale Fleming, our Commercial Operations Manager, and Patrick Allan, our Venue Manager, both of whom received strong support from Josh Teakle, Media and Communications Manager, Sara Neave, Events

Manager, Kristy Miller, our Brand People and Projects Manager, and exceptional digital support from Karen Ng and Daniel Azcui. Utilising the LED big screen and boundary-side LED ribbon fencing, made possible with support from VALLO, the Club not only generated additional revenue, but also enhanced the fan engagement experience.

Once more, our avenues for business expansion encompass the Club's exclusive venue, home games, and events hosted at the recently inaugurated Wolf Blass Community Centre. Additional revenue streams arise from Club memberships, sales of Club merchandise, the Nor East gaming facility, a diverse array of in-house and external events, as well as partnerships with dedicated sponsors—all of which will be detailed further in subsequent sections of this report. The Club successfully hosted various events and I want to recognise specific events that left a significant impact, including our Incredible Journeys luncheons, a series of business lunches, Gather Round, Anzac Day, AFLW, the Josh Giddey Dinner, Supporters Nights, and Club Champion award evenings.

I want to express my gratitude to several key sponsors who have played a crucial role in supporting our endeavours, including the Coopers Family (Coopers Brewery), Trent and Jessica Burge (Barossa Boy), Jeff and Ben Neale (Paradise Motors Mazda), Joe and Nic Borrelli (IWS), Adrian Rivish, Ross Parisi, and Ben Fusco (Apelle), Peter Steward (PQSA), and Peter and Ben Teakle (Peter Teakle Wines). Their ongoing commitment is truly appreciated.

We are fortunate to have a diverse range of partners, and I extend my thanks to each one for their continuous support of each of our teams and the overall success of our Club. Further details about these partnerships are provided in subsequent sections of this report.

A special acknowledgment is also due to the City of Norwood Payneham & St Peters, with heartfelt thanks to Mayor Robert Bria, CEO Mario Barone, and all the sitting members for their support and collaboration.

## MEMBERSHIP

Our members are the lifeblood of the Club, embodying the true essence of the red and blue spirit. Membership growth: The 2023 season saw a minor surge in our membership numbers, reflecting the deep connection our supporters feel to the Club. As we chart our course forward, our sights are set on even greater milestones. For the upcoming year, we have set an ambitious goal of reaching 4000 members. This objective is not merely a numerical target; it symbolises the shared commitment to elevating the Norwood Football Club to new heights.

I urge all Norwood supporters to actively participate and become proud Norwood Members. Additionally, I encourage you to extend this invitation to your friends and family, inviting them to join the passionate Red and Blue Army. The Norwood Football Club aspires to boast the highest number of supporters in the League. Therefore, our challenge lies in transforming our supporters into members in 2024 and beyond. Your support and membership play a pivotal role in shaping the future success of our Club.

### NFC BOARD

I would like to express my gratitude to all of our Board Members, President Paul Di Iulio, Ben Seekamp, Justin Staritski, Rick Neagle, Steve Arblaster, Marie Skrodzki and James McEwan, for their unwavering support and dedication to the Norwood Football Club. Their passionate and tireless efforts consistently aim to elevate the Club to its best potential. I would personally like to thank Justin Staritski and Steve Arblaster who are both stepping down from the Board. Justin has been a great support across our football programs as Football Director, and Steve has been a great support with Club matters and issues regarding our Nor East property and Chair of our Governance Committee. I would also like to make a special mention of our President Paul Di Iulio whose unwavering commitment to our Club and his desire for us all to become better continues to inspire myself and many of my colleagues.

### THE SANFL

I would like to thank the League, its Executives and the SA Football Commission for the work they put in to ensure the SANFL remains the second best competition in the country, behind the AFL.

Thanks to SA Football Commission Chair Rob Kerin, Nicole Haack, Janet Finlay, Peter Lindner, Bill Moody, Louise Small; and from the SANFL Executive team,

Members of the 2013 SANFL Premiership Team celebrating their 10-year reunion.

CEO Darren Chandler, Matt Duldig, James Bayer, Belinda Haines, Abbey Threadgold, Sean Toohey, Paula Brinkworth, and Brooke Acquaviva.

### STAFF AND VOLUNTEERS

Our staff encountered significant positive challenges early in the year, dealing with the introduction of AFL Gather Round and hosting three home games, including Anzac Day, within the first four weeks of the season. This demanding schedule, followed by a match in Port Lincoln, created an unusually busy program. I take immense pride in the dedication of our staff, including Barry Solomon, David Solari, Jamie Penglis, and Gavin Goodfellow, who ensured that our ground and venue were presented at their best capacity. Thank you to Josh Teakle and the media team for their timeless efforts throughout the season providing up to date information and communication to our supporter base. A special thank you goes to Angeline Solari, our Administration Coordinator, and Peter Nanotti in Merchandise for their tireless work in supporting our members and driving our merchandise range.

We are incredibly fortunate to have a dedicated army of volunteers, and I would like to acknowledge John Emery, our in-house photographer for many years. John, recognised as Volunteer of the Year, will be retiring after this season, and his contributions have been thoroughly deserved.

The enduring dedication of our Board, coaches, players, volunteers, support staff, members, and partners all form a potent formula for sustained success in the future and stands as the very backbone of our Football Club.

### Football Operations Manager - Rick Shrowder

Reflecting on the season that each of our squads had in 2023, I am once again drawn to the Club's motto of "Fortis in Procella – Strength in Adversity". Faced with adversity on and off the field at different times, each squad has drawn on strength. Strength from learning from the past. Strength from accepting and being in the present, individual strength and collective strength. Season 2023 was also full of opportunities for learning and the Club can take great confidence in the knowledge that all our squads and the staff leading them are committed to contributing towards success for the Norwood Football Club, now and for the future.

As we know, this great Club of ours is built on the time, effort, ideas and energy of many amazing people. Whether it be paid or voluntary, a short time or a long time, none of our squads could enjoy playing this sport without coaches, administrators and support staff.

This year, in each squad there were several new members of key staff that filled roles with enthusiasm and energy, and committed themselves wholeheartedly to the task and to the Club.

In our Senior Men's squad, the departures of key staff Rob Harding and Taylah Jack left large holes to be filled particularly, as the group prepared to defend its 2022 Premiership. Michael Nash and Gavin Baust stepped up to manage the strength and conditioning with Scott Bassett coming on board mid-season. Michael Knoll stepped up to the Reserves head coach role.

In the Senior Women's squad, Brad Snell led the group as the newly promoted head coach and in the U18s, Alex Newell was also promoted to the head coach role. Both Brad and Alex jumped straight into their roles and ably directed the players and support staff in their respective seasons.

Craig Roberts once again led our U16s as head coach and was promoted to full time Talent Manager early in the year, a role that he deservedly earned and very quickly embraced. Craig oversaw our Eyre Peninsula programs and metro Development Squads while continuing as the U16 coach, supporting junior program head coaches Aaron Jelfs, Harry Boyd and Declan Hamilton as well as our EP coaches and support staff.

Our Wheelchair squad was once again led by David Gould and Grant Leonard on court with Brodie Healy supporting from the sidelines. Shenae Walker continued to do a fantastic job of managing the group.

If the 2022 season was remembered for the joyous celebrations of a Premiership that brought everyone together, then 2023 will arguably be remembered for once again bringing everyone together, but sadly to share in the pain and grief of losing a much-loved player and a much-loved member of staff. The disappointment of on field results at the start of the season were quickly put into perspective when we were told of the tragic news that senior player Nick Lowden had taken his own life. The tragedy of the situation and the deep pain and grief felt by everyone will only ease with time, but will never fully go away.

Just as Nick's passing galvanized the Senior Men's squad, our Senior Women's squad had to prepare themselves similarly. Just before Christmas, the news that Ashleigh Young, the Club's Female Football Coordinator would not recover from an Asthma attack not only rocked the Women's squad but all of us at the Club and indeed the wider footballing community. Ash was extremely passionate about Women's football and wanted nothing more than to see success for our squads here at Norwood. She is, and will be dearly missed.

Whilst 2023 didn't bring the on field success that this Club craves and is driven to achieve, it certainly provided numerous opportunities for growth, learning and development which will have laid a very strong foundation for success in 2024 and beyond.

I would like to thank everyone that has contributed to our football squads in 2023. To the coaches, support staff, management, players, parents and partners, supporters and sponsors, thank you! We are very fortunate to be part of this great Club. May 2024 be a successful one for us all!

## SENIOR MEN

### Senior Coach - Jade Rawlings

2023 presented several challenges, following the achievements of 2022. As a wise man said to me "it took every ounce of every person, to achieve what we did". Player injuries, player departure, conditioning and not being ready for the demands of the season all culminated in us not starting the year in a manner which the competition required.

Despite the ladder position, after eight rounds, and the very unlikely scenario of being able to make the top five, the Club stayed true to its slogan of "Fortis In Procella - Strength in Adversity". That's exactly what was lived day to day, and showed on game day.

We lost three of our last 10 matches and played in a manner that enabled us to compete against every team in the competition.

The debuts of Jayden Gale, Izaak Twelftree, Liam Robinson, Jake Cresswell, Alec Wright and Ollie Sanders were highlights of 2023. Jack Saunders returned to Norwood and played four games before being severely injured against Glenelg. Matt Ling played a strong first season, after coming to us from Geelong. Patrick Walker played four games before injuring his ankle, after being recruited from North Melbourne. Goy Lok had a big impact in his first season at Norwood. Luke Bogle was able to play some solid senior footy at Norwood after crossing over from South Adelaide.

Nick Lowden (second player from right).

Liam Robinson made his SANFL debut on Anzac Day.

Jackson Callow returned to Norwood in 2023 after 18 months on Hawthorn's AFL list.

The most challenging scenario of the season was without doubt the passing of Premiership player and 2023 squad member Nick Lowden. Nick impacted all of us at the Club in his 18 months. The first game after his passing, against South Adelaide, was by far the hardest week in my football journey. The Club celebrated his life brilliantly, and his parents Tony and Kerry, spoke to the group after the game in an inspirational manner. The grief still remains, but through outstanding support systems, we feel that our players and staff are working their way through the loss of Nick.

Whilst our industry is largely determined by win-loss, how Clubs handle setbacks and adversity is what people take notice of over time. It is easy to be good winners, but how do you handle when your back is against the wall. Leadership and belief will always prevail. Our Board and senior management stayed united and calm under pressure. Two key virtues that stack up over time.

Optimism is what we all want in our footy lives and that is what we feel going into 2024.

Go Legs.

## SENIOR WOMEN

### SANFLW Coach - Brad Snell

Reflecting on our pre-season, it became immediately apparent how committed and eager our players were to learn. Witnessing the dedication of our team, seeing them tirelessly push their boundaries and soak up every piece of advice, instruction, and feedback was truly a revelation.

As the season kicked off, we faced several hard-fought rounds. Despite losing the first three games by less

than a goal, our team's spirit remained unbroken. This was testament to the work the group had done on culture, in particular our focus on accountability and connection. We focused on sticking together and the girls doubled down on building connection on and off the field.

Over the next part of the season we continued to hit our strides. We won seven of our next eight games, with a narrow two-point loss to North Adelaide our only defeat between Rounds 4 and 11. This streak was a testament to the team's growing confidence, cohesion, and relentless pursuit of excellence. Finishing Round 12 with a six-point loss to the Minor Premiers concluded a solid minor round season record of 7-5 and a third place finish. We had the highest percentage in the League, the second most points-for and the second least points-against. We scored and we were hard to score against.

Norwood played Sturt in the Semi-Final, with the Redlegs having to fight to the end to secure a six-point win to progress through to the Preliminary Final against Central District. This was a clear indication of the incredible progress we made in 2023 - a testament to our team spirit, connection, and genuine care for one another.

And finally, the Preliminary Final in Elizabeth. It wasn't quite the ending we envisioned, going down by 40 points to the eventual Premiers, but it had its own sweet moment. Our retiring captain, Alison Ferrall, scoring a goal as the final siren sounded will remain my most cherished memory of the season. Some might find it strange to see a team that just lost a Preliminary Final celebrating at the siren, but that's a testament to the love the group had for their captain, and they love they have for each other.

SANFLW leaders Nicola Burns, left, Sophie Armitstead, Alison Ferrall and Stephanie Simmonds.

Tesharna Maher brought up her 50th SANFLW game in 2023.

Ferrall and Tesharna Maher played their 50th SANFLW games throughout the season, with Ferrall retiring following the Preliminary Final after 57 matches across six seasons. Both the Senior Women's and Men's teams wore guernseys designed by Maher in their respective First Nations Rounds matches. Thirteen players made their SANFLW debuts, eight players represented their State across U16, U18 and U23 level, three players (Tahlita Buethke, Tesharna Maher, Lana Schwerdt) made the team of the year, and two players were drafted into the AFLW – Georgie Jaques and Molly Brooksby.

Norwood's Development League squad also had a strong season, winning all seven home and away matches to qualify for the Grand Final, which was held at Norwood Oval against South Adelaide. Unfortunately the Panthers won the Premiership by seven points.

## PATHWAYS

### U18 SQUAD

#### U18 Coach - Alex Newell

The U18 program for 2023 had a completely new coaching panel, led by new head coach Alex Newell. The season presented some initial challenges with the introduction of Gather Round prohibiting the U18 program to train at Norwood, resulting in a nomadic pre-season bouncing around our local zone, which only galvanised the group as the season got closer to commencing. The season began down at Noarlunga against eventual Premiers South Adelaide, which resulted in a come from behind one point win where a lot of those traits formed in the pre-season showed. At the halfway point of the season the side was 6-3 as the Adelaide College Football season began, presenting a new challenge with half of the squad becoming unavailable. However, this provided some new opportunities for others. Despite the season ledger finishing at 7-11, the season produced some development successes. The program consisted of four State representees - Logan Evans & Alex van Wyk (SA), Will Rowlands (Allies) & Orlando Turner (Allies) and produced four players who played senior football in the Reserves and one in the League side throughout the year. Will Rowlands was drafted at the end of the year by the Gold Coast Suns. A year of challenges both on and off the field that resulted in some great development and great comradery that will continue to transcend through the Club.

Molly Brooksby was Drafted by Port Adelaide's AFLW team.

William Rowlands was Drafted by the Gold Coast Suns.

Norwood U18 player, Jacob Newton.

## U16 SQUAD

### U16 Coach & Talent Manager - Craig Roberts

In 2023, the U16 squad was into the second year of a full 18-game season, having only played seven-game seasons up until 2021. There are plenty of positives of having a full season, but our demographic also means many challenges. The challenge comes as the Adelaide College Football season commences, and our squad gets hit hard. We used over 70 players across 18 matches in season 2023; this included 20 players from our Eyre Peninsula zone, and 15 from Norwood's U15 side. We also introduced players from Mildura, Broken Hill, and Tasmania. The highlight of the year was defeating eventual Premiers Central District in Round 16 when both sides were at full strength. It shows that our U16 squad has the talent to compete with the best, but struggles with continuity – finishing with a win-loss record of 5-13. This will be my last year as U16 coach (with Chris Slattery appointed U16 coach in 2024), and I have really enjoyed every part of the role. I look forward to watching Chris take the role on with enthusiasm, and I will continue to play my part from the Talent Manager role.

### U15 METRO & COUNTRY CHAMPIONSHIPS 2023

In season 2023 we had two sides represent the Norwood Football Club in the July school holidays as part of the State U15 Championships. Both teams showed a competitive nature and competed hard over the three-day carnival, the metro side was coached by Aaron Jelfs and the country team by Michael Curtis. These Championships gave us a great opportunity to see where our players will be in six months when many of them will represent Norwood at U16 SANFL level. The players had the opportunity to hear from Norwood Junior and current Adelaide Crow Max Michalanney. He spoke about the importance of our programs and what the Norwood Junior program did for him to make a fast transition into AFL life.

### U13/U14 DEVELOPMENT SQUADS

Our Development Squad players were very lucky to have two senior players as their coaches in 2023, with Declan Hamilton (U13s) and Harry Boyd (U14s) leading the programs. The squads were cut down to 35 players, and from there they attended one training session per week and played five matches. This year we started introducing some Eyre Peninsula players to help the regional players transition into a SANFL football program. In 2024 the SANFL is introducing a new U14 season to be held in February-March. The focus on this squad will be to start introducing the players to the requirements and commitment at the SANFL

level. We also had a big focus on the players starting to understand the culture of our Football Club.

## WHEELCHAIR

### Captain - Grant Leonard

To sum up 2023 in a line, "Not where we wanted to finish, but definitely on the up".

The SANFL Novita 2023 Wheelchair Football season began with the introduction of the points classification system. This system ensures teams cannot field more than two able-bodied players on field (court) at once, and a maximum team value of 16 points is allowed on court at any one time. Able-bodied players are worth five points; players with the greatest disabilities are worth one point. This brought a tighter competition across the four teams in the League.

David Gould took role as coach this season while also playing, Brodie Healy was assistant coach after crossing over to Norwood from Centrals. Darren Schutz joined Norwood this season from Woodville-West Torrens and was a handy addition to our midfield and defence. Rick Leonard also joined this season with no prior Wheelchair Football experience. Learning multiple positions and gaining experience to wheelchair skills this season will prove very beneficial in the upcoming season.

We were able to take positives away from many of the nine games throughout season, with some very close games lost within the final minutes. We had a draw and even a couple of matches where we won three quarters of the game however still lost. At the end of the season, it really was the third-place play-off final against Central District that really counted for bragging rights. We were up at half time, but just weren't able to get the job done in the last. Woodville-West Torrens were our greatest challenge throughout the year, so we are extremely eager to bridge that gap next season.

We look forward to the 2024 season with some key players joining our side as we endeavour to get back to our winning ways. We are looking forward to having a more consistent side, utilising the full 16 points allowed as per the classification system. Our Reserves side will continue well into next season as well as we strive to increase our depth of players across the two sides.

Norwood had two players in Grant Leonard and Richard Davis that represented SA's State Team for the AFL Wheelchair Championships that were held in Melbourne in November 2023.

## FINANCE REPORT

Ben Seekamp

Norwood and North Adelaide players lining up for the pre-game Anzac Day tribute.

On behalf of the Board and management, I have great pleasure in presenting the Norwood Football Club Incorporated and controlled entities financial report for the year ending 31 October 2023.

### FINANCIAL RESULTS

After a successful 2022, both on and off the field, we faced difficulties in 2023. We struggled with increasing costs and the ability to pass those costs on. Cost of goods sold, particularly in the function centre increased significantly, and labour increases were difficult to manage. These are things that we were not alone in dealing with, it has been a challenge for many businesses in Australia. We were able to drive revenue, and having the Wolf Blass Community Centre continues to assist with this. The new oval lighting and boundary side LED ribbon signage are a major attraction for external events in addition to our Club's games. Having these facilities is an important selling point for enticing events, such as the AFL's Gather Round, which was a terrific win for our Club.

The final SANFL Land Divestment received was \$300,000, which is set aside for building works. We received a total of \$2,000,000 over the past eight years.

### THE NORWOOD FOOTBALL CLUB INCORPORATED

Attendances at Coopers Stadium in 2023 were steady compared to the previous season, and something we are aiming to improve. We want the game day experience to encourage people to attend, enjoy the entertainment and in return generate valuable income. We continued to improve our facilities and have more to do. Membership was up slightly by 6.9% and we aim to get this number back to 3000 in 2024. Similarly with sponsorship, this was slightly better, being up 5% and we aim to improve this further in 2024. We are in the first full season of the boundary side LED ribbon signage fully functioning and this is helping to entice quality advertising for our sponsors and others.

Merchandise sales for 2023 were \$212,000 compared to \$318,000 in 2022. Premiership merchandise continued to be sold early in the financial year.

### THE REDLEGS CLUB INCORPORATED

The performance of our Gaming Venue continues to be strong. Gaming revenue was steady, being up by 1.2%, however food and beverage was up 33% with an improved gross profit margin. We continued to

update the gaming machines and we now have predominantly ticket in, ticket out machines. As stated in previous years the Nor East committee is full of experienced operators helping the Club to provide a terrific facility. The Nor East is important to the football operations and provides critical funds to all junior and senior football teams.

Function income from the Wolf Blass Community Centre ("WBCC") was up 66% from business lunches, general functions and a particularly successful function was when Australian NBA star Josh Giddey was a special guest. An event like this is not possible unless you have a quality function room to hold it within. Beer booth and kiosk sales were up 35% predominantly due to the two AFL games held at Coopers Stadium, which generated significant food and beverage income. It is fantastic that members and supporters are enjoying having on field facilities to utilise. It is important that we have further improvement in 2024, built around successful football performances and continually getting better at managing the venue. The new oval lights do make night football a fantastic experience and we need crowd numbers to increase as a result.

### **137 THE PARADE TRUST, 581 NORTH EAST TRUST AND 583 NORTH EAST TRUST**

The Net result of the Trusts was a surplus of \$433,402, an 13% increase compared to the previous year. Rent levels to our tenants increased 10% and interest costs remained low due to very low levels of debt. Debt on these buildings remains at \$16,000, this is critical as interest rates continued to climb. We have the ability to draw down on these loans should the need arise. We expect to see some further increase in rental income in the current financial year. Being able to maximise our return on investment is important and something we spent time on during the year. The surplus is due to the rent collected on the Nor East and rent from the tenants at 581 North East Road, less interest on commercial bills, sundry property maintenance, rates and taxes and other minor sundry items. The surplus is distributed to the Norwood Football Club.

### **SUMMARY**

The Net result of the above entities was a deficit of \$339,127. If we add back depreciation (\$298,574) and remove the net deficit of Build the Fort activities (\$132,695), the result is a surplus of \$92,142.

## COMMERCIAL OPERATIONS

### Dale Fleming

The Norwood Football Club prides itself on ensuring sponsors are front and centre. This year the LED boundary ribbon was launched, while Coopers also updated its boundary billboard.

#### PARTNERS AND SPONSORSHIP

In 2023, the Norwood Football Club was again fortunate to have amazing sponsors contributing to the success and stability of our Football Club. On behalf of the supporters, players, coaches, staff and volunteers of our Club, I would like to thank all our Partners for your loyal support which is vital in contributing to our success both on and off the field.

Three years ago, we welcomed a new sponsor and Platinum Partner to the Norwood Football Club in Apelle. They are now well and truly familiar to everyone, featuring on our jumper and our supplier of on field and off field apparel and supporter merchandise. Although Apelle will continue as our apparel supplier in 2024 we will have a new partner logo appearing on our jumper from 2024. I am delighted to announce that IWS (Integrated Waste Services) will be our new jumper sponsor and Platinum Partner alongside Coopers. I would like to thank Apelle for their loyalty and support as a Platinum Partner over the last three years. The quality of their partnership personally and professionally has been first class, as has the quality of the apparel they provide. Thank you to Adrian Rivish, Ben Fusco, Ross Parisi, and the entire Apelle team for your partnership and embracing the Norwood community. We look forward to that continuing for many more years.

A new era will begin in 2024 as IWS becomes only the seventh logo to feature on the Norwood Jumper in our 146-year history. We have always enjoyed great support from IWS and their commitment for the next three years as a Platinum Partner alongside Coopers is a major win for the Club. The IWS brand will feature across on field and off field apparel and the new partnership will also support the establishment of a Norwood Football Club Eyre Peninsula "Football Scholarship" Program, giving underprivileged kids from the EP opportunities to further their personal development and pursue their football dreams. Before season 2024 we will announce more detail about this program and the IWS Platinum Partnership. But for now, I would like to thank Joe Borrelli and Anne Borrillo for your ongoing support, your elevation to Platinum Partnership and for continuing to be part of our Club community.

Coopers continued as Platinum Partner in 2023, including stadium naming rights. To Glenn Cooper AM, Melanie Cooper, Andrew Cooper, Dr Tim Cooper, Cam Pearce, Brent Felice and the entire family and team at Coopers, thank you for your fantastic loyalty and support. We are proud to have a 77-year association with such an iconic South Australian business, and the fans continue to enjoy a Coopers beer on Coopers Hill and at Coopers Corner inside Coopers Stadium! To be entering our 78th year in partnership is nothing short of outstanding and this longevity is the envy of other sporting organisations

Australia Wide. The Coopers name and brand is synonymous with our Club. You don't have a beer at Norwood games, you have a "Coopers".

Our next sponsorship tier is our Major Partners in Barossa Boy Wines, PQSA, People's Choice Credit Union, Findex, Paradise Mazda and Mannix Air Conditioning. When you attend a Norwood function you get to enjoy mouth-watering wine courtesy of Barossa Boy Wines. To Trent and Jess Burge, thank you for your sensational support and for continuing the Burge family tradition of being part of the Norwood community. Many a glass of "Double Trouble" and "Cheeky Tilly" was enjoyed again in 2023. Your family name is synonymous with the Norwood Football Club community, the Barossa Boy logo has found a home on our guernsey and we look forward to that continuing for many more years.

To Paradise Mazda's Jeff Neale, Ben Neale, Kevin Bew and all the fantastic "Mazda People," thank you again for your continued support in 2023. Paradise Mazda has committed to sponsorship in 2024, extending our longstanding partnership into its 16th year and ensuring the Paradise Mazda logo continues to be proudly featured on our playing jumper.

To Michael Wilkins and Findex, thank you for your sponsorship and personal support of our Club. Findex's sponsorship of our football program and specifically our coaches across all levels has been much appreciated and your personal support of our business lunch program has been instrumental in helping us attract a high calibre of speaker. We look forward to continuing our partnership in 2024 and proudly displaying the Findex logo across all coaches official apparel.

Thank you to People's Choice for your major sponsorship. Another prominent logo on our playing jumper, our partnership will enter its fourth year in 2024. Thanks to Steve, Maria-Anne Camilleri and all the amazing people at People's Choice who have really embraced the partnership with our Football Club. You have truly banked on the Redlegs and we hope you continue to do so for many years to come.

To Neville Mannix and Chris Bagg from Mannix Air Conditioning, thank you for your ongoing support. Mannix Air Conditioning is a household name in South Australia and has also become one at Norwood Football Club.

Our final Major Partner I would like to acknowledge is PQSA (Paraplegic and Quadriplegic Association of South Australia) who along with SACAP are the major sponsors of our wheelchair program. Thankyou Peter Stewart, Clement Jacobs and the PQSA team for your specific sponsorship that

provides our players with the support, allowing them to get out and represent the Norwood Football Club in the SANFL Wheelchair competition.

To all our 75-plus Corporate and Player Sponsors, a big collective thank you for your amazing support. Whether it is paying for a sign at Coopers Stadium or sponsoring your favourite player, you are doing as much as you can to help our footy Club and it is making a big difference to our success and stability. We can never have enough Corporate and Player Sponsors, we look forward to welcoming you all back in 2024 and involving you in the inner sanctum of our Club.

We go into 2024 with all Platinum and Major Sponsors signed up, which is sensational for our Football Club. Whether Platinum, Major, Corporate or a Player Sponsor, every partner of the Norwood Football Club is appreciated and without you we cannot do what we do day in and day out.

Revenue from Sponsorship and Fundraising in 2023 was up 7.5% from the previous year to \$848,733.

## MEMBERSHIP

In 2023 we grew membership numbers from 2580 in the previous season to 2758, an increase of 6.8%. On a pleasing note, revenue from membership was up 36% from \$350,229 to \$475,153. This is mostly attributable to strong growth across premium categories (Fortis Club and Premiers Club) and our most popular Club memberships. Even more pleasing is that Net Income was up 92% to \$334,060 on the back of consolidating some membership categories and reducing membership pack supplier costs.

The commercial team is working hard to drive membership back above three thousand (last achieved in 2021) with a focus on marketing and win-back campaigns targeting members who have lapsed in the previous five years. The 2024 theme, **Re-Member NOW to Remember MORE in 24** is intended to connect supporters with the great memories they have enjoyed as a Norwood supporter across their lives. Memories like the first game they watched at a packed Norwood Oval or the first Premiership they saw live. We hope the memories cherished by many will stir the passion, light the fire, and convince supporters that have drifted away to return to our great Club, enjoy more memories and sign up as members.

## MERCHANDISE

In 2022 we had a strong result with sales up 145% on the previous year to \$317,925 on the back of finals and Premiership merchandise sales. In 2023 with no finals appearance, it was always going to be a stretch to reach such heights. However, if we compare to the previous "non-Premiership" year in 2021, merchandise sales were up 63% to \$212,194 in 2023. It must be pointed out that 2022 Premiership merchandise sales did have a long tail and positively impacted the 2023 figures, however the 2021 sales of \$130,345 did include two finals appearances with strong merchandise sales at both. When looking at the five-year trend for merchandise sales, I am pleased to report that our average growth for this period is 59%. With the daily opening of the Redlegs Merchandise store, the introduction of new merchandise lines and a sustained focus on marketing, I anticipate double-digit growth to continue in 2024.

The LED Ribbon was installed in late 2022 and launched in Round 1 of the 2023 season.

## THE EYRE PENINSULA

Since aligning as our regional zone in 2015, the Eyre Peninsula has become an important recruitment zone for our Footy Club. We are immensely proud of our connection with the region, growing it year on year through commercial partnerships and continued football program investment in the region.

We have established some terrific commercial partners on the EP, and I would like to acknowledge them individually –

- Peter Teakle Wines (Naming Rights and Platinum Partner)
- Bendigo Bank Pt Lincoln (Platinum Partner)
- Home Care Plus (Platinum Partner)
- Pt Lincoln Council (Gold Partner)
- SA Grain Services (Gold Partner)
- Peter Kittle Toyota Pt Lincoln (Corporate Partner)
- Mellor Olson Lawyers (Corporate Partner)
- Pt Lincoln Hotel (Corporate Partner)
- Letcher Moroney Accountants (Corporate Partner)
- McDonalds Pt Lincoln (Corporate Partner)

To continue playing one of our SANFL home matches on the EP, the support of local government, football leagues, tourism operators and commercial organisation is critical. We are incredibly grateful for the amazing support we received in 2023 with a total combined sponsorship of \$102,454 coming from the partners listed above.

Over the two years so far, an estimated one thousand players, coaches, staff, supporters, sponsors and SANFL delegates have made the trip to attend the EP match, spending considerable time in Port Lincoln and the broader EP, supporting the local economy. With an estimated average spend of \$750 per visitor on accommodation, tourism, hospitality, and retail, this represents an injection of \$750,000 into the local EP economy on an annual basis.

Importantly our commitment to the EP region is having a positive impact on the local community and we will continue to work with local businesses, invest in the economy and promote the region to our extensive football supporter base.

## THE OUTLOOK

Looking forward to season 2024, I am confident that the Club will perform well commercially, continue to grow revenue streams, and provide the best match day experience in the SANFL. I encourage every supporter to buy a membership, buy merchandise, attend functions, and if you can; become a sponsor. We have an amazing community of people at Norwood, if we all contribute 10% more it will make an enormous difference to the commercial bottom line.

Again, thank you to all our loyal partners, members and supporters for your amazing support making the Norwood Football Club family and community the best in the business.

In closing I would like to acknowledge the incredible leadership and support the commercial team receives from our CEO James Fantasia and President Paul Di Iulio. The task of growing commercial operations is made a lot easier when you have a Club that is going from strength to strength both on and off the field under the leadership of James and Paul, and our Board.

So in closing I remind you of the lifetime of memories Norwood has given you and if you wish to **Remember more in 24, Re-Member Now!!**

## FUNCTIONS & EVENTS

### Patrick Allan

The new-look Wolf Blass Community Centre, with the Redlegs mural affixed to the building exterior in late 2023.

2023 saw some consistency return to the functions and events space as clients booked with confidence following an unpredictable few years with the Covid-19 Pandemic.

Whilst the Wolf Blass Community Centre hosted numerous private bookings, events and conferences throughout the year, we had some significant Club highlights along the way, such as:

#### AFL 'GATHER ROUND'

The AFL arrived at The Parade this season, hosting two official matches as part of the AFL's inaugural 'Gather Round', South Australia's Festival of Footy. In addition to two sell-out games between Fremantle & Gold Coast on Friday evening (April 14), and Hawthorn & Greater Western Sydney on Sunday afternoon (April 16) the club hosted "Captain's Run" training sessions and coaching seminars throughout the week, culminating in an extremely popular afternoon picnic event in the Norwood Memorial Gardens out the front of the Club. Additionally, the Club will enjoy significant long-term benefits from the addition of two custom built coaches boxes and an enclosed commentary box, as well as a newly designed main kiosk enabling the Club to deliver higher volumes of food in shorted times to fans attending the football.

We're extremely excited to be part of an even bigger and better offering next season, with Gather Round confirmed to return to Norwood Oval on April 5 and April 7 in 2024.

#### AFLW

The Adelaide Football Club kicked off its AFLW season with a sell-out crowd of almost 10,000 people for a home Showdown against Port Adelaide in September – this was the first Showdown held at Norwood Oval and AFLW Showdown 2 overall – followed by two further home and away matches before two home finals at The Parade. While the opportunity to host the Grand Final didn't quite play out as we hoped (with Adelaide losing a Preliminary Final), The Parade benefitted from the Crows positive season with attendances and average spends growing throughout the year, including hosting VIP functions in the Wolf Blass Community Centre for each game during the season.

#### JOSH GIDDEY DINNER

In June, the Wolf Blass Community Centre welcomed NBA rising star Josh Giddey, as the Football Club partnered with the Norwood Flames Basketball Club to host "An Evening with Josh Giddey". What a success it was. Tickets sold out almost immediately, and a huge crowd turned out in the middle of winter to hear Josh's story of his rise from the Adelaide 36ers to

becoming one of the NBA's and Australian Boomers hottest properties. A hugely competitive auction with some excellent offerings saw a great success for the Club on the evening as Josh left an honorary Redlegs member and many punters happy to have had a photo and contact time with the Oklahoma City Thunder superstar.

### APEX SPORTS FESTIVAL

In February, Norwood Oval hosted the third instalment of the APEX Sports Festival – A multi-sport event that included Mixed Martial Arts, Rugby 7's, Medieval Jousting, Strongman competitions and Jiu Jitsu taking place on the playing surface throughout an entire day and into the evening. The day finished with a strong crowd to watch the official MMA title bouts and resulted in a positive outcome for the Club.

### ANZAC DAY GRAND FINAL REPLAY

Following the Gather Round excitement in April, Norwood hosted the 2022 SANFL Grand Final rematch against North Adelaide at The Parade on Anzac Day. While the result didn't go our way, a great crowd turned out for what would be our highest home game attendance of the season, of just under 4300 people.

### PORT LINCOLN & EYRE PENINSULA ROUND

Another big day on the April calendar saw Norwood's SANFL side return to Port Lincoln for the Teakle Cup match against West Adelaide, and while the result this year was unfavourable, the overall trip was again a success for the Club as we continue to grow our supporter base and involvement in the Eyre Peninsula region, the Club's regional zone.

Our final home game of the season saw us partner with local restaurateurs from the Kardachi Group and our Eyre Peninsula partners to supply a feast of Eyre Peninsula produce to a crowd of almost 200 in the Norwood Function Room.

This Round 18 game against Adelaide was the Club's Remembrance Round, where we paid respects to past players and associates of the Club no longer with us - we were honoured to host the Lowden family for the day following their son Nick's tragic passing during the season.

In what was a big Round 18 occasion, it was also the Fortis Army Match where Norwood supporters were invited onto the playing surface pre-match to form a guard of honour for the players to run through.

## BUSINESS LUNCHES

Norwood Football Club business lunches saw us host some extraordinary guests this year, including but not limited to Coopers Brewery Executive Chair Glenn Cooper AM, VAILO CEO Aaron Hickmann, and London bombing survivor Gillain Hicks.

Guests have enjoyed a two-course lunch at each event and heard some incredible stories of overcoming adversity in a variety of fields, as well as some incredible business insights.

## AN EVENING WITH STEVEN BRADBURY OAM

In late July we hosted Australian Winter Olympics Gold Medallist Steven Bradbury OAM for a night of inspiring stories, business lessons and many laughs as we heard Steven's story from growing up in Queensland, to becoming Australia's first ever Winter Olympic Gold Medallist. Attendees even managed to sneak in a celebratory beer with him post event.

## WINTER WONDERLAND – GALA EVENT

On another wet and wild Saturday night in July we held our "Winter Wonderland" themed Gala Ball across both levels of the Wolf Blass Community Centre. Arrival cocktails were served in the winter themed Premiers Bar, before the party moved upstairs where DJ Driller kept the dance floor pumping until midnight when the party came to close, under our roof at least...

## SUPPORTERS NIGHTS & NEIL BALME

Supporters Nights continued in The Premiers Bar each Thursday evening throughout the season, with drinks and bistro meals served. On several occasions guest speakers were invited to Supporters Nights in the Norwood Function Room which were always well received, including a night where Club Hall of Famers and good mates Neville Roberts and Michael Aish spoke to a packed crowd. It was a similar showing when 1982 & 1984 NFC Premiership Coach Neil Balme took to the mic for a Supporters Night in June.

## INCREDIBLE JOURNEYS

We welcomed Jodi Glass, Leah Bayliss and Paul "PK" Kitching for an Incredible Journeys series event, hosted as always by the excellent Ali Clarke. We heard some inspiring stories of business and resilience from our panel, while 120 guests enjoyed a two-course lunch.

## NEW LOOK PREMIERS BAR

The indoor and outdoor areas of The Premiers Bar underwent a facelift, to transform the space from an industrial look to a “Red and Blue Premiers Bar”, fit with photo displays wrapping the walls, Club statistics and Premiership team boards tributing our 31 SANFL Premierships and one SANFLW Premiership.

On top of the usual game day usage, The Premiers Bar and outdoor terrace hosted events, such as weekly Supporters Nights, Friday Night Drinks during the summer, Coopers Brewery’s Big Ale Campaign, FORTIS Club and past player events, and created upstairs-downstairs events such as the Winter Wonderland Gala Ball.

I would personally like to thank each and every Functions and Events team member, caterer and entertainer who has played a role in delivering so many quality events this year. From planning and organising to setup and delivery it has been an action-packed year. It has been a pleasure to work with our partners in Coopers Brewery and Barossa Boy Wines. We can’t wait to come back for an even bigger and better 2024!

## OBITUARIES

The Norwood Football Club had a difficult year off the field, with the passing of highly respected and much loved players, administrators and supporters during 2023. Each was highly regarded by the Norwood fraternity and will always be remembered for their passion, commitment and love of the Norwood Football Club.

### NICHOLAS LOWDEN 2000 – 2023

The Norwood Football Club is deeply saddened by the passing of Premiership player and current squad member, Nicholas Lowden. Nick played 22 League games across two seasons with the Club in 2022 and 2023. 'Lowds' played a variety of key roles but few more impactful and memorable than his role in the victorious 2022 SANFL Grand Final.

Brady Dawe is regarded as one of the Club's "favourite sons", he commenced his career in 2009 and represented the Norwood Football Club until the end of 2019 season, finishing with 208 matches.

Originally brought into the side as a ruckman it soon became apparent that he had a great flair playing as a tall forward. He was incredibly resilient while playing and rarely missed a game in 10 seasons.

Brady went on to win the Club's Woods Medal in 2015 and received the Garry McIntosh Medal in 2019, but most notably he's a three-time Premiership player with the Redlegs in 2012, 2013 and 2014.

Pat Hall joined the Norwood Football Club in 1947 playing in the colts. In 1948 he was playing for the Reserves but by mid-year had made his League debut.

Under Jack Oatey, Hall went on to be one of the League's finest ruckmen/half forwards with a strong mark and reliable kick, he was a member of the 1948 League Premiership team.

At the age of 23, he went to Glenelg. He was playing coach in 1953-1954, vice-captain in 1955 and went on to play 47 games for the Tigers. In 1956 he returned to Norwood.

Pat had a great interest in the game and went on to have a strong influence off the field. This included successful stints as colts coach, pioneer for the Past Players and Officials of the NFC and later became a football commentator on Channel 7 and a radio commentator.

The Hall family is synonymous with the Norwood Football Club with four generations pulling on the guernsey.

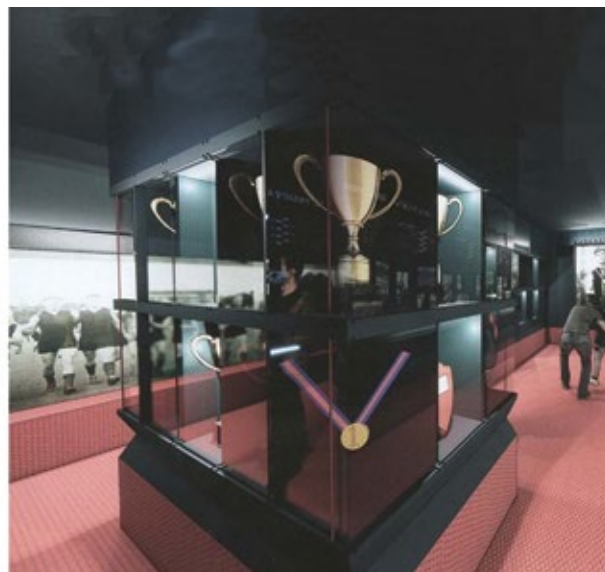

He is the grandfather of former Norwood player Joel Patfull, who also played with the Brisbane Lions and GWS. Pat Hall's son John played for Norwood from 1980 to 1991 including the 1984 premiership and his father Alexander played for Norwood from 1928 to 1932.

His life and career in Australian rules football is truly remarkable, and it's clear that he made a significant impact on the sport and the Norwood Football Club.

Pat Hall is a SANFL player life member. His dedication to football and his enduring impact on the sport will be remembered and celebrated for generations to come.

## REDLEGS MUSEUM

The Museum will open to the public in 2024. To Donate to The Redlegs Museum project please visit the Norwood FC website, [norwoodfc.com.au](http://norwoodfc.com.au)

The Redlegs Museum planning committee, made up of two representatives from each of the Past Players and Officials Committee and the History Committee, along with CEO James Fantasia and Board member Rick Neagle as chair, continued to meet throughout the year. Tom Doull from the practice Architecture That! joined the committee and presented an innovative concept plan to convert the former Mayor's Parlour in the Western Stand into an exhibition space to display images, objects and audio visual material from the Club's historical collection.

Detailed plans for the room which will include interactive elements, a history timeline and a unique locker room, were developed in collaboration with the architect in what promises to be an exciting presentation of the long and colourful history of the Norwood Football Club.

Images of the most outstanding objects in the Club's collection are featured as Museum Treasures on the Redlegs Museum website and include; the first Minute Book from 1878, The inaugural Magarey Medal awarded to Albert Green in 1898, a rare 1907 cap worn by players during games throughout the 19th and early 20th centuries, a 1922 souvenir badge featuring star full forward Roy Bent and the boots worn by Matt Panos when he kicked the winning goal in the 2022 Grand Final.

These, and many other rare and valuable objects from the Club's collection will be displayed for the enjoyment of members, supporters, school groups and the general public when the Redlegs Museum opens in 2024.

## AFL GATHER ROUND

Norwood 2012 and 2013 SANFL Premiership Player James Aish in action for Fremantle during the Gather Round match at Norwood Oval.

Photo by Paul Kane/Getty Images

The Norwood Football Club seized a remarkable opportunity during the 2023 AFL season when it hosted two AFL matches for Premiership Points as part of the AFL's groundbreaking Gather Round concept.

This innovative initiative aimed to bring the thrill of the game closer to fans by organising all nine Round 5 matches within the state of South Australia. The event unfolded across four days at three different locations – six matches at Adelaide Oval, two at Norwood Oval, and one regional game in the picturesque Adelaide Hills.

Norwood Oval witnessed two exhilarating clashes during this football extravaganza. The first match unfolded on Friday, April 14, featuring Fremantle against Gold Coast in a high-scoring spectacle that saw the Dockers emerge victorious 15.10-100 to 13.12-90. The Sunday afternoon game showcased a nail-biting encounter between Greater Western Sydney and Hawthorn, where the Giants secured a thrilling two-point victory, 10.17-77 to 11.9-75.

Apart from the on field excitement, the concept was driven by the goal of making football more accessible to South Australians and visiting fans. This was achieved through affordable ticket prices and strategically spreading matches across four days in a single city. Notably, Norwood Oval, reminiscent of its crowds from 30 years ago, was brimming with 9329 fans on Friday evening and 9057 attendees on Sunday afternoon, creating a vibrant and nostalgic atmosphere. Both games at The Parade were instant sell-outs.

The precinct around Norwood Oval, particularly the Norwood Memorial Gardens at the southern end were transformed into a lively hub with numerous stalls, bars, live bands, engaging activities, and a large screen for patrons to catch all the action happening on the field. The success of the Gather Round initiative was further underscored when South Australian Premier Peter

Malinauskas announced on Sunday, April 16, that the concept would remain in South Australia for an additional three seasons, affirming its positive impact and popularity among fans. Fast forward to late 2023, and anticipation heightened with the announcement of the 2024 Gather Round fixture. Once again, Norwood Oval was chosen to host two matches: Brisbane versus North Melbourne on Friday, April 5, and Richmond against St Kilda on Sunday, April 7. The continued selection of Norwood Oval underscored its significance as a dynamic venue for premier AFL contests, promising another round of unforgettable moments for fans in the upcoming season.

The occasion has afforded the Norwood Football Club another chance to spotlight its extraordinary venue, and with the backing of the AFL, in collaboration with the Adelaide Oval grounds maintenance team, additional resources were allocated to enhance the oval, ensuring exceptional playing conditions.

The local Norwood Payneham & St Peters Council played a crucial role in the venue's improvement, contributing to the redevelopment of the main canteen area, facilitating more effective and efficient self-serve provisions. Furthermore, supporting the upgrades to the Western Stand included the addition of new coaches boxes and a media center, creating optimal conditions for match officials.

Hosting these matches not only generated supplementary revenues for the Club but also provided a unique opportunity to showcase both the venue and the Club itself. The collaborative efforts of the AFL, Adelaide Oval grounds maintenance team, and local council have not only elevated the overall experience for players and fans with improved facilities but have also solidified the Norwood Football Club's standing as a premier host for top-tier AFL events.
